Reviews for Taco Bell

New review

Customer	Stars	Description
Kermit	2	Rotten service. They wouldn't sing me a song about rainbows.
Rick	4	Anything that makes you contemplate the void of the universe is okay by me.
Morty	5	I like everything.
Robert	3	Not bad, really, but it didn't quite register as food.

BLACK BELT: Sorting. Sort the reviews by the number of stars given in descending order (biggest numbers at the top).
